MIDDLE EAST TECHNICAL UNIVERSITY DEPARTMENT OF PSYCHOLOGY
UNDERGRADUATE INTERNSHIP INFORMATION FORM

Internship Course: General Information

- The non-credit undergraduate internship course (PSY 300) aims to support and enhance students’ theoretical knowledge by fieldwork conducted in applied settings.
- It is carried out within July-August period, and only students who completed their at least 2nd year are eligible.
- Minimum cumulative grade point average is 1.80/4.
- Internship period is 6 weeks (30 work days)

Places to do Internship at

Undergraduate students can do their internship either at the institutions/corporations/organizations listed below, or any other place that internship advisor approves.

| Nursery school, kindergarten and special education for disabled | Research centers/companies |
| Shelters for elderly | Advertising agencies |
| Orphanages | Field work studies/projects of behavioral sciences |
| Hospitals and other medical institutions | Rehabilitation centers |
| Research labs/centers working on basic sciences like biology, pharmacology and physiology | Departments of human resources, personnel, training and research& development in public and private institutions |
| Charity institutions for mental health | |

Things to do before internship

- Finding an appropriate institute – In some cases, this could be suggested by the department or the advisor.
- Approval of the institute by the internship advisor
- Delivering the approved “Protocol for Summer Internship” to the institute, handing in the approved protocol to the internship coordinator.
- One copy of the protocol to be approved by department should be sent to the institute of internship, and one copy should be kept at the department
- Receiving preparation to internship training and reading& signing the Internship Acting Code
  a. Necessary forms (to be downloaded from our department webpage: psy.metu.edu.tr) should be delivered to the authorized worker at the institute (Student Attendance Form and Intern Performance Evaluation Form)

THINGS TO DO DURING AND AFTER INTERNSHIP WILL BE EXPLAINED IN
INTERNERSHIP PREPARATION TRAINING (GIVEN IN SPRING SEMESTER).
